Kung Fu Movies

Republica

Kowloon gardens was some where a short cut through
'Til I met you, now we're lying on your bed
Watching Kung Fu movies, there are no days or nights
Just you and me and Bruce LeeWe shout we fight, we chase the night
But we disagree Kung Fu movies
Kung Fu movies, Kung Fu movies
Kung Fu, Shaolin and fu sang yang, Seng li, all the timeDragon master, deadly Venoms five, Hong Kong style
Kung Fu movies, Kung Fu movies
Kung Fu movies, Kung Fu
I frustrate you, complicate you, I'll hit and hurt youIt's Hang Seng baby
Cos' one of these days when I make money
I'll blow away these Kowloon gardens
And you and Kung Fu, you and Kung FuYou and Kung Fu, you and Kung Fu
I'll blow away these Kowloon gardens and
Kung Fu movies, Kung Fu movies
Kung Fu movies, Kung FuNgo jah che hi sickfan, gung hoi fat choy gowlong
Ngo tung kwilo a ma va, leung kar m hoi ta
