

More Than I Can Do

[Steve Earle](#)

I'm trying hard to let you go
But it's more than I can do
And every day or two
I wind up right back where I started I'm trying not to let you know
That I'm still in love with you
I can't just sit home blue
'Cause there ain't no rest for the brokenhearted Just because you won't unlock your door
That don't mean you don't love me anymore
So I'm never gonna let you go no matter what you do
Because you know it's more than I can do You told me that I got to stop
But it's more than I can do
And that ain't nothing new
'Cause we both know that I'm crazy 'bout you You said you're gonna call the cops
But I ain't gonna run
'Cause you're the only one
There ain't no way I could live without you You left me just when I needed you
So I ain't even close to through with you
So I'm never gonna let you go no matter what you do
Because you know it's more than I can do
