Nobody Cares

Ray Charles

Well, nobody loves me, baby
Nobody seems to care
Well, nobody loves me, babe
Nobody seems to care
Well, ever since my mother passed
Nothing but misery everywhere

Well, I ain't got no money, baby
And my best friends have put me down
Hallelujah, I said I ain't got no money, baby
And my best friends have put me down, oh Lord
Well, all of my good-time buddies
Don't even come around

Well, if you listen to me, baby
Maybe I could find a new life in you
Well, if you listen to me, baby child
Maybe I could find a new life in you
Well, if you'll be mine forever, baby
Child, I never can be blue
