C.T. Eunuch

Cliteater

Posing with your genitals
For everybody to see
Fuckin' freak
You disgust meThis charitable institution called
Me, myself and I
Will get rid of your fuck tool
For freeYou will walk through life as an eunuch
You'll have to sustain your loss
You'll have to sustain your lossFuck face suffer
Fuck face scream
Fuck face, taste the bile
Fuck face, suffer
Fuck face scream
Fuck face make me smileFasten brasswire tight around your genitals
The look on your face, worth a million dollars
Countdown to dickextinction begins
Pull!!!What once was your pride is no more
What once was your pride is no more
