She's My Baby

Van Morrison

Well I'm so blue, I'm thinking about you
I'm feeling so blue, I'm feeling so sad
I just don't understand, I'm feeling so sadAnd in the midnight, I don t turn off the light
Until the daylight, well I toss and I turn
And my heart it still burns, till I see her againShe's my lady, she's my baby, she's my lady
She's my baby, she's my lady, she's my baby
She's my lady, now, now, now, nowIn the morning I wake to go get food on my plate
But I just can't eat and when I go in the cafe
To sit down at my seat, I don't have egg on my faceWhen it stops and it starts, it just tears me apart
Like a pain in my heart but it's been misunderstood
Somebody's breaking the rules and I'm nobody's foolWell, well, well
She's my lady, she's my baby, she's my lady
She's my baby, she's my lady, she's my baby
She's my lady, now, now, now, nowWhen it's so high, I can reach for the sky
But when it's so low, I got nowhere to go
When it goes wrong, I just don't belong
When it goes right, it's clean out of sight
Oh yeah, yeah, yeahI'm feeling so glad, I'm on top of the world
When I see you again, well it's so true
I been thinking about you baby, you're my flameWhen it goes down, down on the ground
When it goes down but when it goes up
It just fills up my cup, when it goes upWell, well, well
She's my lady, she's my baby, she's my lady
She's my baby, she's my lady, she's my baby
