Cow Head

Cable35

The voice in my head
Sleeps in my bed
The voice in my head
Sleeps in my bed
Can i sleep with the radio on?Need a little more time to be me again
Need a little more time to be me again
Need a little more time to be me again
Need a little more time to be me againWhat everybody doesThe voice in my head
Sleeps in my bed
The voice in my head
Sleeps in my bed
Can i sleep with the radio on?Need a little more time to be me again
Need a little more time to be me again
Need a little more time to be me again
Need a little more timeIt's alright
It's alright
It's alright
It's alrightNeed a little more time to be me again
Need a little more time to be me again
Need a little more time to be me again
Need a little more timeWhat everybody does
What everybody does
What everybody does
What everybody does
What everybody does
What everybody doesThe voice in my head
