You Got It

Roy Orbison

Every time I look into your lovely eyes
I see a love that money just can't buy
One look from you, I drift away
I pray that you are here to stay
Anything you want, you got it
Anything you need, you got it
Anything at all, you got it, baby
Every time I hold you, I begin to understand
Everything about you tells me I'm your man
And I live my life to be with you
No one can do the things you do
Anything you want, you got it
Anything you need, you got it
Anything at all, you got it, baby
Anything you want

(You got it)
Anything you need
(You got it)
Anything at all
(You got it)
And I'm glad to give my love to you
I know you feel the way I do
Anything you want, you got it
Anything you need, you got it
Anything at all, you got it, baby
Anything you want, you got it
Anything you need, you got it
Anything at all, you got it, baby
Anything at all
(You got it)
Baby, you got it
