The Fixer

Pearl Jam

Yeah, hey, hey
When somethings dark, let me shed a little light on it
When somethings cold, let me put a little fire on it
If somethings old, I wanna put a bit of shine on it
When somethings gone, I wanna fight to get it back again
yeah, yeah, yeah, yeah, fight to get it back again
yeah, yeah, yeah, yeah, yeah
When somethings broke, I wanna put a bit of fixin on it
When somethings bored, I wanna put a little exciting on it
If somethings low, I wanna put a little high on it
When somethings lost, I wanna fight to get it back again
yeah, yeah, yeah, yeah, fight to get it back again

yeah, yeah, yeah, yeah, yeah
When signals cross, I wanna put a little straight on it
If theres no love, I wanna try to love again
I?ll say your prayers, I?ll take your side
I'll find us a way to make light
I'll dig your grave, we'll dance and sing
What's saved could be one last lifetime
hey, hey, hey
yeah, yeah, yeah, yeah, fight to get it back again
yeah, yeah, yeah, yeah
fight to get it back again, yeah, yeah, yeah
fight to get it back again, yeah, yeah, yeah
yeah, yeah, yeah, yeah, yeah
