Lose It All

A Perfect Murder

Advisory - the following lyrics contain explicit language:

My wounds are bleeding my hate for you
I'm sick of your fucking plastic smileAs I bleed you dry
You lose your shallow eyes
As I bleed you dry
You lose that fakes ass smile
Lose it allI've suffered for the last time
Now you're destined to burn in the flames of hell
Condemned to burn in the flames of hellMy hate is killing you piece by piece
The death of your fucking world is coming
Prepare to meet your destiny
