Tea Party

_11:34

(Chorus 1):
Welcome to the Tea Party
Want to be my VIP?
Didn't RSVP?
That's okay (That's okay)
Welcome to the Tea Party
oh oh oh oh
Want to be my VIP?
When I'm all steamed up (up)
Hear me shout
Tip me over and pour me out
Your appetite is flex
I got the table set
Don't get your dribble on my t-t-t-table yet
I got the goodies baked
Got more than you can take
Just try and nibble on my biscuits and rainbow cakes
Let's be traditional
And non-commissional
Elbows down (down) pinkies up (up)
That's the way you sip my cup
(Chorus 2):
Welcome to the Tea Party
oh oh oh oh
Want to be my VIP?
oh oh oh oh
You didn't RSVP?
oh oh oh oh
That's okay That's okay
oh oh oh oh
Welcome to the Tea Party
oh oh oh oh
Want to be my VIP?
When I'm all steamed up
Hear me shout
Tip me over and pour me out
Try not to move so fast
You know dessert comes !LAST!
I'm a !LADY! FUTHAH MUCKAH!

Try to show some class
Down to the last cup

We keep it boiling hot
We keep the party moving till we drink the last drop
Let's be traditional
And non-commissional
Elbows down (down) pinkies up (up)
That's the way you sip my cup (my cup)
(Chorus 2):
Welcome to the Tea Party
oh oh oh oh
Want to be my VIP?
oh oh oh oh
You didn't RSVP?
oh oh oh oh
That's okay That's okay
oh oh oh oh
Welcome to the Tea Party
oh oh oh oh
Want to be my VIP?
When I'm all steamed up
Hear me shout
Tip me over and pour me out
I know this night is like no other
Your not just another (pour me out)
I know it's only getting better
As long as we're together (pour me out)
I know this night is like no other
Your not just another
(Chorus 2):
Welcome to the Tea Party
oh oh oh oh
Want to be my VIP?
oh oh oh oh
You didn't RSVP
oh oh oh oh
That's okay That's okay
oh oh oh oh
Welcome to the Tea Party
oh oh oh oh
Want to be my VIP?
When I'm all steamed up
Hear me shout
Tip me over and pour me out
