Addicted to That Rush

Mr. Big

Ok, we're rollingWhen I was a young boy
My Momma said to me
"Once a woman gets your soul
You'll never shake her free"
These are words of wisdom
It turns out she was right
Gotta find a lover
'Cause I need a fix tonightWatch it touch me deep inside
Somethin' snaps inside my mind
When I feel it comin', ain't no sense in runnin'
I'm addicted to that rush
Every time we touch, never get enough
'Cause I'm addicted to that rushLook around I stop and stare
Got to get a taste
Pretty women everywhere
We ain't got time to waste
Lookin' for a little thang
To fit into my plans
On the town I'll hurt you down
I'm walkin' like a manWatch it touch me deep inside
Somethin' snaps inside my mind
When I feel it comin', ain't no sense in runnin'
I'm addicted to that rush
Every time we touch, never get enough
Woman, I'm addicted to that rush
Every time we touch, never get enough
'Cause I'm addicted to that rushWatch it touch me deep inside
Somethin' snaps inside my mind
When I feel it comin', ain't no sense in runnin'Once I thought her lovin'
Was a habit I could break
But when I go without it
My body starts to acheI'm addicted to that rush
Every time we touch
I'm addicted to that rush, feel it baby
Never, never, never, never, never get enoughWatch it touch me deep inside
Somethin' snaps inside my mind
Oh when I feel it comin', ain't no sense in runnin'
I'm addicted to that rush
Addicted to that rush

I'm addicted to that rush
Addicted to that rush
I'm addicted to that rush
I'm addicted to that rush
Addicted to that rush
I'm addicted to that rushHurt me
