Say Ahh... (with Chillblast)

Deee-Lite

All day in my mind
I replay the second time we chimed
So sweet what a treat sensually
Skin on skin is swingingly swell fat treasuresDon't compare to our pleasures
Kissing and suckling the boots, come unbuckling
Enter sexual altered states
No sleep, um, we're staying awakeThe music connects us
The rubber protects us
And what the neighbors think, just doesn't effect us
Check my spot and dig my swirl, I'm a liberated girlI need your loving
I want your love
I'll be your friend
I'll be your loverAgainst me your body's pressed
I want to hug and kiss you and all the rest
Forget your troubles, ills and aches
And like an earthquake our body shakesTurn up the frogger bass and enter sexual altered state
Take off your shirt, I'll take off my bra
A rub a dub lovin', until you say, ahh
Keep holding on, until you say, ahhYou're smiles as big as the Brooklyn Bridge
You rock me like no one ever did
Live and let living, tripping not slipping
Chewing on a chickletMake me want to knee dip, let me roll my full hips
Rolling Philly's acting silly, the hippy spliffy
Made you lick your lippy
Our love a dub rubbin' is king size trippyKeep holding on, until you say, ahh
