A Teardrop from Below

inc.

This snake needs a head
This snake needs a tail
[This snake needs to feel]x 2[These tears won't dry themselves]x 3[A teardrop from below
And you don't want me to see
A hole in the sky
All over me]x 2[This heart needs a home] x 3The water is where we go
To be the water hole
[Rivers overflow]x 2[These tears don't cry themselves]x 3[A teardrop from below
And you don't want me to see
A hole in the sky
All over me]x 2
