Guiding Light

Jean B. Gerbier

Guiding light

Here is the story of the light, shining in the path of
my life, making love possible and brings brighter days.
If you know about this common dream, it aspires, sing
this song with song with me.

Chorus
Guiding light, we applause your relentless drive
Guiding light, to pursue excellence
Guiding light, that bless me to achieve loving kindness

Whether it's defining music, joy and sweet loving in the
air, all derive from the guiding light. If you know about
common dream, it aspires sing this song with me.
