Love Again

New Edition

Do you remember when we were so in love
Could nothing separate us then
Don't know what happened
Tell me where the good days went
When I said, "I won't let this happen again"
No, not to your man, noI'd never thought I'd see that I'd see the day
When I would never wonna leave
Baby, you were supposed to be
You were supposed to be in love with me
And over me, baby, just can't lose to love againI can't lose to love again, love again
When you broke my trust with another man, another man
When you told me he was just a friend, just a friend
Girl, I can't lose to love again, not againThought it was okay and everything was cool
But then you flip this script on me
Thought I heard you call his name into were lovin' me
Girl, you must be crazy, I ain't havin' that, on how you gonna actI'd never thought I'd see that I'd see the day
When I would never wonna leave, wonna leave
You were supposed to be
You're were supposed to be in love with and over me
Baby, I can't lose to love againI can't lose to love again, love again
When you broke my trust with another man, another man
When you told me he was just a friend, just a friend

And people long I would know the truth
Girl, I refuse to lose in to love again, no not again, noI can't change again though I'm feeling strange

How much pain can a young cat's heart take?
I gave you everything you wanted and more
