Blue Hotel (Live In Amsterdam)

Ryan Adams

I'd like to say that I tried
It fits in with all the suggestions and lies
And empty tables with food untouched
I couldn't see the future and I liked it too muchI've been goin' door to door
Like I got something to sell
Wanderin' like a fool
Through the halls of a blue hotelSo go on and rain down on us
Go on and rain
Go on and rain down on us
I give up, ooh, I give upSomething about her that's cold
Blowin' through the trees leaving me raw
The words come out and they get confused
I get shadowed like a light bulb in an October moonShe's inside me like a secret
And I got no one to tell
Wandering like a fool
Through the halls of a blue hotelSo go on and rain down on us
Go on and rain
Go on and rain down on us
I give up, ooh, I give up
I give up, I give up
