Raise Hell

Outworld

If you think it's too loud
Bitch - get the fuck out
If you wanna slow down
Bitch - get the fuck out
If your ass ain't with me
Bitch - get the fuck out
Get the fuck out
Bitch- get the fuck out
We raise hell bitch
We raise hell bitch
We raise hell bitch
Motherfucking hell bitch
We don't give a fuck
We don't give a fuck
So all you pussy motherfuckers shut the fuck up
I knock yo hed back
I let that shit bang
I make your heart jump
Like you was on cocaine
I knock yo hed back
I let that shit bang
I make your heart jump
Like you was on cocaine
Stop actin like a bitch
Why you acting like a bitch
Let a bitch suck a dick
and get the fuck in the pit
Stop actin like a bitch
Why you acting like a bitch
Let a bitch suck a dick
and get the fuck in the pit
If you think it's too loud
Bitch - get the fuck out
If you wanna slow down
Bitch - get the fuck out
If your ass ain't with me
Bitch - get the fuck out
Get the fuck out
Bitch- get the fuck out

We raise hell bitch
We raise hell bitch
We raise hell bitch
Motherfucking hell bitch
We don't give a fuck
We don't give a fuck
So all you pussy motherfuckers shut the fuck up

It's another homicide
So let my shit play
I chop your hed off
Like my name was Ojay
It's another homicide
So let my shit play
I chop your hed off
Like my name was Ojay
Stop actin like a bitch
Why you acting like a bitch
Let a bitch suck a dick
and get the fuck in the pit
Stop actin like a bitch
Why you acting like a bitch
Let a bitch suck a dick
and get the fuck in the pit
We raise hell bitch
We raise hell bitch
We raise hell bitch
Motherfucking hell bitch
We don't give a fuck
We don't give a fuck
So all you pussy motherfuckers shut the fuck up
Bitch I don't care
Bitch I don't care
Bitch I don't care
Bitch I don't care shit
I don't care
Bitch I don't care
Bitch I don't care
Bitch you can suck my dick
Stop actin like a bitch
Why you acting like a bitch
Let a bitch suck a dick
and get the fuck in the pit
Stop actin like a bitch
Why you acting like a bitch

Let a bitch suck a dick
and get the fuck in the pit
We raise hell bitch
We raise hell bitch
We raise hell bitch
Motherfucking hell bitch
We don't give a fuck
We don't give a fuck
So all you pussy motherfuckers shut the fuck up
