You'll Always Be My Best Friend

Relient K

I wish I knew you way back when
Before you were a part of my plans
I think that we would have been friends
There's only time to live our lives
You'll be the one that's by my side
And I can promise you that
You'll always be my best friend
Till the end when we part I will give you my heart
And I promise to love you with all that it is
And I promise to be there whenever you need me
Because you'll always be my best friend
You'll always be my best friend
(You'll always be my best friend)
You'll always be my best friend
(You'll always be my best friend)
You'll always be my best friend
