I'm A Liar

1951

Maybe I told you right from the start
You can have me but you can't have my heart
It's easy enough to say but I couldn't care lessYa, I mighta told you, you were on my mind
Guess I talked a pretty good line
Hey, I could talk all day but I just can't confessThat I'm a liar
I'm a victim of desire
I'm a moth into the fire
Yea, I'm over my head, forget what I saidTell ya, I'm a liar
I'm just walkin' on the wire
That I couldn't get much higher
Yea, I'm over my head, forget what I said
Baby, I'm a liarYea, when I told you I was hard to pin down
You know I was just messin' around
Guess you know by now that, that's just my wayAnd if you want stories, well I got a few
But hey, "This is the truth I swear to you"
Yea, how many more times do you want me to say?That I'm a liar
I'm a victim of desire
I'm a moth into the fire
But I'm over my head, forget what I saidTell ya, I'm a liar
I'm just walkin' on the wire
But I couldn't get much higher
Yea, I'm over my head, forget what I said
Baby, I'm a liar
I'm a liarYea
If I told you to go away
Baby, you can't believe a thing I say
ListenI'm a liar
I'm a victim of desire
I'm a moth into the fire
Yea, I'm over my head, forget what I saidBaby, I'm a liar
I'm just walkin' on the wire
No, I couldn't get much higher
But I'm over my head, forget what I said
Baby, I'm a liar
I'm a liarBut I'm over my head, forget what I said
I'm a liar
Yea
Liar
I can't help myself

I'm a liar
But I'm over my head, forget what I said
But you can't believe a single thing I say
Liar
Oh yeah
I'm a liar
But I'm over my head, forget what I said
Oh yeah
I'm a liar
Yeah
But I'm over my head, forget what I said
I'm a liar
Baby, I'm a liar
Liar
