Mama Weer All Crazee Now

Crazee Noize

I don't want to drink my whisky like you do
I don't need to spend my money but still do
Don't stop now a c-'mon
Another drop now c-'mon
I wanna lot now so c-'mon
That's right
that's right
I said Mama but we're all crazy now
I said Mama but we're all crazy now
I said Mama but we're all crazy now.
And you told me fool fire water won't hurt me
And you tease me and all my ladies desert me
Don't stop now a c-'mon
Another drop now c-'mon
I wanna lo now so c-'mon
That's right
that's right
I said Mama but we're all crazy now
I said Mama but we're all crazy now
I said Mama but we're all crazy now.
I don't want to drink my whisky but still do
I had enough to fill up "H" Hill's left shoe
Don't stop now a c-'mon
Another drop now c-'mon
I wanna lot now so c-'mon
That's right
that's right
I said Mama but we're all crazy now
I said Mama but we're all crazy now
I said Mama but we're all crazy now.
