My Baby Left Me

Rox

Oh yeah
My baby left my sad
He didn't do nothing rightMy baby left me
My baby left me dry
My baby left my sad
He didn't do nothing rightMy baby left me
My baby left me so dry to the bone
And he left me alone
Oh yeahConsequences after murder [unverified]
Situations did you further
Close one eye and dream the rest
I was called the early learnerAnd you were the heart stirrer [unverified]
But this I never coulda guessed
You pulled on me until you knew I'd breakMy baby left my sad
He didn't do nothing rightMy baby left me
My baby left me dry
My baby left my sad
He didn't do nothing rightMy baby left me
My baby left me so dry to the bone
And he left me alone
Oh yeahSo who's to blame for the messy ending
You say it's me but we'd be pretending
You work your dirt just like a pro
'Cause you were aFreedom fighter, compulsive liar
And a really good lucky trier
More than I had ever known
You pulled on me until you knew I'd breakMy baby left my sad
He didn't do nothing rightMy baby left me
My baby left me dry
My baby left my sad
He didn't do nothing rightMy baby left me
My baby left me so dry to the bone
And he left me alone
And he left me alone
And he left me alone
