

# Lynch Mob

## Cavalera Conspiracy

Justice by us, revenge is a bitch  
Now's the time to deal with it  
Where the system fails we now prevail  
Your innocence is my retribution  
Eye for an eye, street justice  
In my mind  
Now's the time to face your lies  
You took her life, destroyed her dreams  
Her suffering will be avenged  
Vengeance is mine - Lynch mob  
Your day has arrived - Lynch mob  
Justice is now - Lynch mob  
Judgement is served  
Street cleaner is my name  
My justice will be my way  
I removed the scum of the earth  
Intervention is on its way  
Now you face your judgement day  
Vengeance is mine - Lynch mob  
Your day has arrived - Lynch mob  
Justice is now - Lynch mob  
Judgement is served  
The lynch mob arrives- justified  
Your sick and criminal mind must be - crucified  
Vengeance is mine - Lynch mob  
Your day has arrived - Lynch mob  
Justice is now - Lynch mob  
Judgement is served
