Longest Day

Cry For Silence

I was walking home lonely the other night
I couldn?t see a single star in the sky
Oh, they must be too high
Shadows dance around me in the dark
Don?t stop
This could be the longest day
And the night has yet to come
This must be the dark to take
There?s nowhere left to run
This could be the longest day
And the night has yet to come
This must be the dark to take
I?ve nowhere left to run
Was eleven years to change what have been lost

One single shot was fired and what a cost
Oh, and what a cost
This could be the longest day
And the night has yet to come
This must be the dark to take
There?s nowhere left to run
This could be the longest day
And the night has yet to come
This must be the dark to take
I?ve nowhere left to run
I wanna run
I better run now
Run
As far as I can
