You Can Depend On Me

Brenda Lee

Though you say, "We're through"
I'll always love you
And you can depend on meThough someone that you've met
Has made you forget
Honey you know, you can count on meWhen I wish, I wish you success
And loads, loads of happiness
But baby, I gotta confess, I'll be lonelyIf you ever, if you ever need a friend
I'll be yours until the end
And you can depend on meI wish you success and loads of happiness
But darling, I gotta confess
I'm gonna be lonelyOh if you ever, if you ever need a friend
I'll be right by your side until the end
And you can depend on me
You can depend on me
