Industry

Calibre, Beta 2 & Zero T

My debut is coming soon
You already know what I'm gonna do
You got my time on the dotted line
But you show up invited and before I sign
And someone say I'm not making mistakes
But please don't be fake
My debut comes today
And my feelings have all run away
With the man that I am but understand
Hey, if I don't keep going it'll just go to show
That I've been beat by an industry I've never seen
This is me on my knees
Singing take it all from me, take it all
Speak to my needs, my needs
Oh, and take it all, oh, just take it all, this is me
So the crowd gets quiet, I start to play
And I think they're buying what I got to say
But to my defiance the music fades
And we all sit silent and I crawl back inside
Because it wasn't supposed to go this bad
This is me on my knees
Singing take it all from me, take it all
Speak to my needs, my needs
Oh, and take it all, oh, just take it all, this is me
And when you grow silent I start to fall
And when you grow silent I start to fall
And when you grow silent I start to fall
When you grow silent I
And when you grow silent I start to fall
And when you grow silent I start to fall
And when you grow silent I start to fall
And when you grow silent, when you grow silent
This is me on my knees
Singing take it all from me, take it all
Speak to my needs, my needs
And take it all, oh, just take it all
This is me on my knees
Singing take it all from me, take it all
And speak to my needs, my needs

And take it all, yeah
