Sunshine Rain

King's X

There's a thorn in my side
And I feel like I'm standing in the middle of a battlefield
Oh Lord, I tryI walk through sunshine rain
In every forest there's a snake
In the apple of my eyeThe pain, it comes and goes
I always let myself down
How does the letting go, it's just that wayI walk through sunshine rain
In every forest there's a snake
In the apple of my eyeIt takes time, a friend of mine who's fallen down a million times
Told me feelings never go away, you have to learn to live this way
And keep yourself alive, that's what he said, that's what he saidI walk through sunshine rain
In every forest there's a snake
In the apple of my eyeI walk through sunshine rain
In every forest there's a snake
In the apple of my eyeI walk through sunshine rain
In every forest there's a snake
In the apple of my eye
