I believed in
believed in what you were
you can't shine your light on me
cause I've seen you in the darkI won't make you like me
you know what's in my heart
you can't shine your light on me
cause I've seen you in the darkI found that I have the same pulse as
I found that I breathe the same breath as
I found that I have the same pulse as youIs it alive?
Or does it take up your time?
You can't say you like me,
cause I've seen you in the dark
I found that I have the same pulse as
I found that I breathe the same breath as
I found that I have the same pulse as
I found that I breathe the same breath as you
