

# Zero Tolerance

## Impaled Nazarene

Why should we tolerate  
Pansy fagot shit  
Not even in an animal world  
Male sucks male dickCrawl back under the rock  
You fagots came from  
This is real fucking world  
Fuck you inferior rightsZero tolerance  
No fucking rights  
Monkey fucks monkey  
Punishment is A.I.D.S.It is disgustingListen you fucking homo boys  
Your time has come  
And if you are a lesbian  
You got cunt to rapeIt is unnatural
