# People Like Me

## Mikeschair

What if I told you, what would you say
Would you stand by me, would you walk away
What if my walls came down and you saw everythingAll of my weakness
All of my scars
All that I've hidden
Deep in my heart
For so long
And I'm scared to set it freeShow me a life that's broken
Can be redeemed
Show me that you can handle my honesty
And help me to know
You'll never let go
Your love won't ever leave
Show me that grace was made
For people like me
You say I'm forgiven
Being restored
But it's hard to feel it
Here in this storm
Torn between who I've been and who I want to beJesus, I need you
Need You to be
Hope in the darkness searching for me
Out of this doubt
Lord, help me to believeShow me a life that's broken
Can be redeemed
Show me that you can handle my honesty
And help me to know
You'll never let go
Your love won't ever leave
Show me that grace was made
For people like me
Oh, my weak heart
And Your strong arms
Give me faith when mine is gone
Only trusting in Your mercy
Cat set free
People like meShow me Your arms are open
Your blood redeems
Show me that You can love

Even meShow me a life that's broken
Can be redeemed
Show me that you can handle my honesty
And help me to know
You'll never let go
Your love won't ever leave
Show me that grace was made
For people like meFor people like me
