

# Breaking the Chains

## Dokken

You sit there thinkin' in your room  
You feel the pressure you're goin' crazy too  
The walls around you closin' in  
You need a change Claustrophobic feelin' scared  
You need somebody but no one seems to care  
A one way ticket a change of pace  
You've had enough you can't take no more Breaking the chains around you  
Nobody else can bind you  
Take a good look around you  
Now you're breaking the chains I got this letter came today  
From my baby who left me yesterday  
Said, She loves me she'll come back  
She wants to try I won't let her she'll be upset  
I know it's better than somethin' I'll regret  
She's been dishonest and insincere  
I lost my mind twenty times a year Breaking the chains around you  
Nobody else can bind you  
Take a good look around you  
Now you're breaking the chains Woke up today I'm alone  
While I look around but baby you were gone  
But I don't mind and I don't worry  
I will survive I'm alone now that you're gone  
Don't need nobody to hold or tie me down  
I broke the chains so let me be  
I've gotta be free, free Breaking the chains around you  
Nobody else can bind you  
Take a good look around you  
Now you're breaking the chains Breaking the chains around you  
Nobody else can bind you  
Take a good look around you  
Now you're breaking the chains
