Transcend

AudioBody

You said you want it, you got it
You said you want it, you got itI got the swag, swag for the rap, rap
That makes you wanna move, I know you do
But it's a fact that all I want is
Our message to come through, you know we doYeah, now it's the time for the Crew to rise
Got that fire that's in our eyes
Ain't nobody claimin' we perfect
But the truth can no longer hideWe transcend dependin' on
How we lendin' our ears to all the pretendin'
It's no wonder that all our legends
Are lost in depression'Cause if there's something on your mind
Let me know, know, know
You know we running out of time
Here we go, go, goPay no mind to those who whine
Let 'em know, know, know
And transcend by the divine
Here we, here we, goTranscend
Transcend
(You said you want it, you got it, got it)
TranscendYou see I been around the world
From New York to overseas
Come back home and it just seems
Like no one really misses meHad some friends who had my back
Now they wanna try to front
I'mma love 'em anyway
No lookin' down, I'm lookin' upWe got that hippity, hippity, hippity
Hippity, hippity hop
Won't stop 'til we get, 'til we get, 'til we get
'Til we get, 'til we get to the topI won't deny, we got that live music that vibes
That will make you go locoWe've been through the fire, that's right
It only helped us ignite
A fervent passion to fight
Why you think they signed us? That's rightCan't lie, we were designed to climb
Rely on the fact that Christ died
Don't need lights when he's inside
Made me bright so He can shine'Cause if there's something on your mind
Let me know, know, know
You know we running out of time
Here we go, go, goPay no mind to those who whine

Let 'em know, know, know
And transcend by the divine
Here we, here we go'Cause if there's something on your mind
Let me know, know, know
You know we running out of time
Here we go, go, goAnd pay no mind to those who whine
Let 'em know, know, know
And transcend by the divine
Here we, here we goT-t-transcendYou said you want it, you got it
Come and get it, you got it
You said you want it, you got it
Come and get it, you got it'Cause if there's something on your mind
Let me know, know, know
You know we running out of time
Here we go, go, goAnd pay no mind to those who whine
Let 'em know, know, know
And transcend by the divine
Here we, here we go
