Donâ€™t Let Me Go

LAY

Strung in my head
how could I just forget
Taking that brief moment
all the way till the endHere I am watching you go
Holdin' a heart that's so broke
Stuck in my lens
it's just your face babeI'd give anything
to make it feel anew
Anything anything
I'd do anything to work it out
with you
Anything anything
Don't let me go woo
Don't let me go woo
Don't don't let me go woo
Don't let me go wooOpen my eyes
going another day
Wondering why
why did we fade away
All of the times we had
deep in my memory
Took all of the words I said
all of my energyHere I am watching you go
Holdin' a heart that's so broke
Stuck in my lens
it's just your face babe
I'd give anything
to make it feel anew
Anything anything
I'd do anything to work it out
with you
Anything anythingDon't let me go woo
Don't let me go
Don't let me go woo
Don't leave me alone
Don't don't let me go woo
Don't let me go
Don't let me go
Don't

Don't let me go
Don't goI don't wanna goLooking at the photos
and my memory burns
Tried to throw the camera
but my hands don't work
Every day every night
where you are where you at
Wanna see you one more timeHere I am watching you go
Holdin' a heart that's so broke
Stuck in my lens
it's just your face babeDon't let me go woo
Don't let me go
Don't let me go woo
Don't leave me alone
Don't don't let me go woo
Don't let me go
Don't let me go
Don't
Don't let me go
Don't go
