The Game Is Won

Lucie Silvas

Am I talking too fast?
I got a lot to learn
I'll keep my eyes wide open
And I will wait my turn
I would jump right in
But now I'm not so sure
If I put 2 and 2 together
Will I still get 4?
And I know where I belong
But I'm still breaking through
Sometimes I get it wrong
But I'm keeping it true
(chorus)
If everything is how it should be, then everything will come
When it gets here I'll be ready
If it's just determination everything will come
And the games already won
They say you have one chance
But that I don't believe
Although my expectations
Can get the better of me
I shouldn't be afraid
Of what I can't control
Cause whatever's round the corner
I will take it all
And I know where I belong
But I'm still breaking through
Sometimes I get it wrong
But I'm keeping it true
(chorus)
Believing in myself can't be wrong
I'm waiting for my time in the sun
(chorus)
