I wanna be a rock star, but I ain't got what it takes
Need the drive and the determination and lucky breaks
I wanna be a rock star, yeah, but I ain't got the face
Oh still I wanna be a rock star, but ain't got what it takes
Seeing my face up on the TV
Hearing my songs on the radio
People waiting all day in line to see me
Doing my pose for Rolling Stone
It's alright, yeah, it's alright, c'mon
I wanna be a rock star, but I ain't got what it takes
Need the drive and the determination and lucky breaks
I wanna be a rock star, yeah, but I ain't got the face
Oh still I wanna be a rock star, but I ain't got what it takes
Living lifestyles of the rich and famous
Turning all heads in the music scene
Flying in my own jet plane to Vegas
I'm riding in a big black limousine
It's alright, said, it's alright
I wanna be a rock star, but I ain't got what it takes
Need the drive and the determination and lucky breaks
I wanna be a rock star, yeah, but I ain't got the face
Oh still I wanna be a rock star, but I ain't got what it takes
No, I ain't got nothing, but to you I'm something
Something so much more
It's alright, it's alright
Yeah it's alright, it's alright
I wanna be a rock star, but I ain't got what it takes
Need the drive and the determination and the lucky breaks
I wanna be a rock star, yeah, but I ain't got the face
Yeah, still I wanna be a rock star, but I ain't got what it takes
You know I wanna be a rock star
But I ain't got what it takes
Oh I said, "I wanna be a rock star
But I ain't got what it takes"
