Singing The Song

Kurt Nilsen

You sing a song for feeling alive
You sing a song just knowing it's right
You write songs when everything's a mess
You sing a song to get it off your chestYou hate to brag but you do it anyway
You close your eyes when you sing to yourself
Being what you are does not make a change
You sing a song for setting things straightAll in all it's wonderful
But isn't there something missing
All in all, wherever you go
There is always someone listeningYou sing a song for being in love
You sing a song that made it to the tops
Never get wise on music, just let it go
You sing the song if it makes you growAll in all it's wonderful
But isn't there something missing
All in all, wherever you go
There is always someone listeningAll in all it's wonderful
But isn't there something missing
All in all wherever you go
There is always someone listeningYou sing a song for making your day
You sing a song to take the pain awayAll in all it's wonderful
But isn't there something missing
All in all wherever you go
There is always someone listening
