Phone Home

E.T. Signal

This is, this is, this is, this is
We are not the same, I am a martian
We are not the same, I am a martian
Greetings from Planet Weezy
We will begin transmission in 5, 4, 3, 2, 1Phone home Weezy, phone home Weezy
Phone home Weezy, phone home Weezy
And if you feel like you're the best, go ahead do the Weezy Wee
And phone home Weezy, phone home WeezyWe are not the same, I am a martian
And I'm hotter than summer rain like Carl Thomas
Lock, load, ready to aim at any target
I can get your brains for a bargainLike I bought it from Target, hip-hop is my supermarket
Shoppin' cart full of fake hip-hop artists
I'm starvin', soarin', I gotta eat early
And I be back in the mornin'Phone home Weezy, phone home Weezy
Phone home Weezy, phone home Weezy
And if you feel like you're the best, go ahead do the Weezy Wee
And phone home Weezy, phone home WeezyWe are not the same, I am a alien
Like Gonzalez, young college student
Who done just flipped the game like Houston
I'm used to Promethazine and 2 cups, I'm screwed-upAnd you ain't shit, if you ain't never been screwed-up
Flow so sick, make you wanna throw your food up
Ice-water chest, and my wrist like a cool cup
2 twin-clippers, I give your ass a crew cutI get brain like cold cuts, you know what?
Your girl go down fast, come up slow, but I never slow up
WeezyPhone home Weezy, phone home Weezy
Phone home Weezy, phone home Weezy
And if you feel like you're the best, go ahead do the Weezy Wee
And phone home Weezy, phone home WeezyThey don't make 'em like me no more
Matter fact, they never made it like me beforeI'm rare like Mr. Clean with hair
No brake lights on my car rear
I never had lice and I never had fear
I rap like I done died and gone to Heaven, I swearAnd yeah, I'm a bear, like black and white hair, so I'm polar
And they can't get on my system, 'cause my system is the solar
I am so far from the othars, I mean others
I done eat them for supper get in my spaceship and hoverPhone home Weezy, phone home Weezy
Phone home Weezy, phone home Weezy
And if you feel like you're the best, go ahead do the Weezy Wee
And phone home Weezy, phone home Weezy
