Jesus Loves You

AlmA

I wanna hear Jesus Loves You, Daddy
1, 2, 3, go
All my life I've heard Him say
(Jesus loves you)
I dropped down on my knees to pray
(Jesus loves you)
I asked Him to come into me
(Jesus loves you)
From Him He gives eternity
Jesus loves you
(Yes, He does)
Jesus loves you
(Yes, He does)
Jesus loves you
(Yes, He does)
For the Bible tells us so
You need to look inside yourself
(Jesus loves you)
You can't take with you all your wealth
(Jesus loves you)
He will give to you an inner strength
(Jesus loves you)
Walked on water but you will sink
Jesus loves you
(Yes, He does)
Jesus loves you
(Said, yes, He does)
Jesus loves you
(Yes, He does)
For the Bible tells us so
Jesus loves you
(Say, yeah, yeah)
Jesus loves you
(Yes, He does)
Jesus loves you
(Yes, He does)
Oh, Jesus loves you
(Yeah, yeah, yes, He does)
Jesus loves you

(Jesus loves you)
Jesus loves you
(Jesus loves you)
For the Bible tells us so
Said, He's the One that died for me
(Jesus loves you)
And that's the reason I believe
(Jesus loves you)
And He has done the same for you
(Jesus loves you)
So watch and see what He can do
Jesus loves you
(Yes, He does)
Jesus loves you
(Said, yes, He does)
Jesus loves you
(Yes, He does)
For the Bible tells us so
Come on
Jesus loves you
(Yes, He does)
Jesus loves you
(Said, every day)
Jesus loves you
Oh, Jesus loves you
(Yes He does)
Jesus loves you
(Jesus, Jesus loves you)
Jesus loves you
(Yes, He does)
Oh, Jesus loves you
(Do you care?)
Jesus loves you
Jesus loves you
Oh, Jesus loves you
(For the Bible tells us)
Jesus loves you
(If you listen to his words)
Jesus loves you
(Oh Jesus loves you)
Jesus loves you
Oh, for the Bible tells us so
That was fabulous Daddy
I gotta go, I love you Daddy and Mommy
