I Believe

Andru Donalds

Ooh ooh
I saw a magical dream
I had a vision
It's like I touch a ray of light
I want to share itNow I know what it's like
wish with all of my heart
oohI believe in love I feel attired
In truth I'd want to find,
In kindness in my heart
I believe you're here with me to stay
And all I have to say:
Forever I'm your friend
I believe
Oh Oh mm OhI hold your hand in my heart
There's no more fear
I feel so strong in my soul
I want to share itNow I know what it's like
wish with all of my heart (heart)
ooh (ooh)I believe in love I feel attired (I feel attired)
In truth I'd want to find,
In kindness in my heart
I believe you're here with me to stay
And all I have to say:
Forever I'm your friendI believe in love I feel attired
In truth I'd want to find,
In kindness in my heart
I believe (and I believe) you're here (and I believe) with me to stay (and I believe)
And all I have to say (all I have to say):
Forever I'm your friend (forever I'm your friend)
I'll believe
And I believe
