I Should Care

June Christy

I know I should pity me
But I don't because, you see
I have loved and I have learned
And as far as I'm concernedI should care
I should go around weeping
I should care
I should go without sleepingStrangely enough I sleep well
'Cept for a dream or two
But, then, I count my sheep well
Funny how sheep can tell you to sleep, soI should care
I should let it upset me
I should care
But it just doesn't get me
