

Notorious (Matt Fernandez Edit)

Duran Duran

No-no-Notorious. Notorious. Ah. No-no-Notorious I can't read about it

Burns the skin from your eyes

I'll do fine without it

Here's one you don't compromise

Lies come hard in disguise

They need to fight it out

Not wild about it

Lay your seedy judgments

Who says they're part of our lives? You own the money

You control the witness

I'll leave you lonely

Don't monkey with my business

You pay the prophets to justify your reasons

I heard your promise, but I don't believe it

That's why I've done it again. No-no-Notorious

Girls will keep the secrets (uh)

So long as boys make a noise

Fools run rings to break up

Something they'll never destroy

Grand Notorious slam (bam)

And who really gives a damn for a flaky bandit?

Don't ask me to bleed about it

I need this blood to survive You own the money

You control the witness

I'll leave you lonely

Don't monkey with my business

You pay the prophets to justify your reasons

I heard your promise, but I don't believe it

That's why I've done it again. No-no-Notorious

You own the money

You control the witness

I'll leave you lonely

Don't monkey with my business

You pay the prophets to justify your reasons

I heard your promise, but I don't believe it You own the money

You control the witness

I'll leave you lonely

Don't monkey with my business

You pay the prophets to justify your reasons

I heard your promise, but I don't believe it
That's why I've done it again. No-no-Notorious
That's why I've done it again. No. No
That's why I've done it again. No-no-Notorious
That's why I've done it again. No-no-Notorious
No-no-Notorious. Yeah
That's why I've done it again. No-no-Notorious
