Free Ride

Superturtle

The mountains are high, the valleys are low
You are confused by which way to go
I know there's someone who'll give you a hand
Lead you into the promised land, yeah
Come on and take a free ride
Come on and get by my side
Come on and take a free ride
All over the country I've seen it the same
Nobody's winning at this type of game
They got to do better they got to take aim
All of the answers are coming from within
Come on and take a free ride
Come on and get by my side
Come on and take a free ride
Come on
Come on and take a free ride
Come on and get by my side
Come on and take a free ride, oh yeah
Come on and take a free ride
Come on and take a free ride
Come on and take a free ride
Come on and take a free ride
Come on and take a free ride
Come on and take a free ride
Come on and take a free ride
Come on and take a free ride
