

# It's Been So Very Long

## Plankeye

I'm gonna leave this place  
I swear this time I'm running home  
I know this place too well  
That promises I'll be alone Somewhere between here and there  
And back and forth I'll come around  
It's what I want to tell you It's been so very long since I've been man  
Enough to be the kind of man  
If I'm gonna hold your hand I was reminded of the lack of who I am  
I swallowed hard  
And in the night I took a firefly  
For a shooting star
