Poison

Dust For Life

Your heart's as black as poison
Cold as ice through and through
You say you wouldn't hurt me
Not what you say it's what you doWhere is my yesterday
It's clearer than tomorrow
Now I incinerate
The vision that you borrowedPoisoning my mind
Take my soul, leave the shell behind
Keep pushing the line
Take me out, leave me without your poisonYour heart's as black as poison
Cold as ice through and through
You say you wouldn't hurt me
Now my mind is frozen tooYour world is made of glass
Message in a bottle
If you'd thrown out your trash
Might have made a martyrKeep pushing me down
Keep pushing me, I don't care
Keep pushing me, I don't care
Keep pushing me, I don't careKeep pushing me, I don't care
Keep pushing me, I don't care
Keep pushing me, I don't care
Poison
