Willin'

Gene Parsons

I've been warped by the rain driven by the snow
Well I'm drunk and dirty and don't you know and
I'm still yea willing
I'm out on the road most every night
I see my pretty Alice in every headlight
Alice Dallas Alice
I've been from Tucson to Tucumcari Tehachapi to Tonopah
I've Driven every kind of rig that's ever been made
Driven the back roads so I won't get weighed
And if you give me weed whites and wine and show me a sign
Well I'll be willin to be movin
I've been beaten by the wind and robbed by the sleet
Had my head stove in and I'm still on my feet
And I'm willin', to be movin'
And I smuggled some smokes for folks in Mexico
Baked by the sun, everytime I go to Mexico
And I'm still willin'
I've been from Tucson to Tucumcari Tehachapi to Tonopah
I've Driven every kind of rig that's ever been made
Driven the back roads so I won't get weighed
And if you give me weed whites and wine and show me a sign
Well I'll be willin to be movin
