Change

Qusai

And it's a sad picture, the final blow hits you
Somebody else gets what you wanted again
You know it's all the same, another time and place
Repeating history and you?re getting sick of it
But I believe in whatever you do
And I'll do anything to see it through
Because these things will change, can you feel it now?
These walls that they put up to hold us back will fall down
It's a revolution, the time will come for us to finally win
We'll sing hallelujah!
We'll sing hallelujah! Oh
So we've been outnumbered, raided and now cornered
It's hard to fight when the fight ain't fair
We're getting stronger now from things they never found
They might be bigger but we're faster and never scared
You can walk away and say we don't need this
But there's something in your eyes says we can beat this
'Cause these things will change, can you feel it now?
These walls that they put up to hold us back will fall down
It's a revolution, the time will come for us to finally win
We'll sing hallelujah!
We'll sing hallelujah! Oh
Tonight we standed on our knees
To fight for what we worked for all these years
And the battle was long, it's the fight of our lives
Will we stand up champions tonight?
It was the night things changed, can you see it now?
These walls that they put up to hold us back fell down
It's a revolution, throw your hands up, 'cause we never gave in
We'll sing hallelujah!
We sang hallelujah!
Hallelujah!
