Lay Me Down - Acoustic Version

Sam Smith

Yes I do, I believe
That one day I will be, where I was
Right there, right next to you
And it's hard, the days just seem so dark
The moon, the stars, are nothing without you
Your touch, your skin, where do I begin?
No words can explain, the way Iâ€™m missing you
The night, this emptiness, this hole that Iâ€™m inside
These tears, they tell their own story

You told me not to cry when you were gone
But the feelingâ€™s overwhelming, they're much too strong
Can I lay by your side, next to you, you
And make sure youâ€™re alright
Iâ€™ll take care of you,
And I donâ€™t want to be here if I canâ€™t be with you tonight

Iâ€™m reaching out to you
Can you hear my call? (Who's to say you won't hear me?)
This hurt that Iâ€™ve been through
Iâ€™m missing you, missing you like crazy

You told me not to cry when you were gone
But the feelingâ€™s overwhelming, they're much too strong
Can I lay by your side, next to you, you
And make sure youâ€™re alright
Iâ€™ll take care of you
And I donâ€™t wanna be here if I canâ€™t be with you tonight

Lay me down tonight, lay me by your side
Lay me down tonight, lay me by your side
Can I lay by your side, next to you, you-ou
And make sure youâ€™re alright
Iâ€™ll take care of you
And I donâ€™t wanna be here if I canâ€™t be with you tonight
