

I Think We're Alone Now (The Nashville Sessions)

Tiffany

Children behave, that's what they say when we're together
And watch how you play
They don't understand
And so we'reRunning just as fast as we can, holding on to one another hands
Trying to get away into the night and then you put your arms around me
And we tumble to the ground and then you sayI think we're alone now,
There doesn't seem to be anyone around
I think we're alone now,
The beating of our hearts is the only soundLook at the way we gotta hide what we're doin'
'Cause what would they say
If they ever knew
And so we'reRunning just as fast as we can, holding on to one another hands
Trying to get away into the night and then you put your arms around me
And we tumble to the ground and then you sayI think we're alone now,
There doesn't seem to be anyone around
I think we're alone now,
The beating of our hearts is the only soundI think we're alone now,
There doesn't seem to be anyone around
I think we're alone now,
The beating of our hearts is the only soundRunning just as fast as we can, holding on to one another hands
Trying to get away into the night and then you put your arms around me
And we tumble to the ground and then you sayI think we're alone now,
There doesn't seem to be anyone around
I think we're alone now,
The beating of our hearts is the only soundI think we're alone now,
There doesn't seem to be anyone around
I think we're alone now,
The beating of our hearts is the only soundI think we're alone now,
There doesn't seem to be anyone around
I think we're alone now,
The beating of our hearts is the only soundI think we're alone now,
There doesn't seem to be anyone around
I think we're alone now,
The beating of our hearts is the only sound
