Creepshow

Sada

I'm from a land called secret Estonia
Nobody knows where it's at
Nobody knows where it's at
Nobody knows where it's at
Ice cream mountains and chocolate skies
Nobody knows where it's at
Nobody knows where it's at
Nobody knows where it's at
Welcome to the creepshow
Welcome to the creepshow
Welcome to the creepshow
Welcome to the, welcome to the
Welcome to the creepshow
Welcome to the creepshow
I'm from a land called Secret Estonia
Nobody knows where it's at
Nobody knows where it's at
Nobody knows where it's at
Cinnamon houses and licorice flies
Nobody knows where it's at
Nobody knows where it's at
Nobody knows where it's at
Welcome to the creepshow
Welcome to the creepshow
Welcome to the creepshow
Welcome to the, welcome to the
Welcome to the creepshow
Welcome to the creepshow
