You Don't Know

The Heavy

Yeah, 702, come on
Soulshock, Karlin
That's right
Oh oh, oh oh
You and me
(702)
Why'd you leave, I gave you everything
So why won't you tell me why you mean so much to me
You know I can't believe
That you would have me open like you do
Now whata girl gotta do to make you see
That we should be together, you and me
I want your love, I get excited, I can't fight it
Baby, you just don't know
You don't know what you do
Got me lovin' you, so please don't go
'Cuz you don't know what you do
Got me all over you and I don't know what to do about us
You don't know what you do
Got me lovin' you, so please don't go
'Cuz you don't know what you do
Got me all over you and I don't know what to do about us
Can't you see that you're hurtin' me
Fill me up let me down, down
(Down)
Oh, ain't never felt this way before
(No, no)
Don't walk out the door
(Uh uh)
I can't take it no more
Baby, whata girl gotta do to make you see
That we should be together, you and me
I want your love, I get excited, I can't fight it
Baby, you just don't know
You don't know what you do
Got me lovin' you, so please don't go
'Cuz you don't know what you do
Got me all over you and I don't know what to do about us
You don't know what you do

Got me lovin' you, so please don't go
'Cuz you don't know what you do
Got me all over you and I don't know what to do about us
Baby, can't you see, your killin' me
You just don't know, I like your flow
Come dig me though, can't take no more
(I think they are ready for this)
Really don't, really don't, really don't
Uh huh
(702)
Uh huh
Just don't know
(Yeah)
(Come on)
You just don't know
You don't know what you do
Got me lovin' you, so please don't go
'Cuz you don't know what you do
Got me all over you and I don't know what to do about us
You don't know what you do
Got me lovin' you, so please don't go
'Cuz you don't know what you do
Got me all over you and I don't know what to do about us
You don't know what you do
Got me lovin' you, so please don't go
'Cuz you don't know what you do
Got me all over you and I don't know what to do about us
You don't know what you do
Got me lovin' you, so please don't go
'Cuz you don't know what you do
Got me all over you and I don't know what to do about us
Yeah
You don't know
