The Call (Live In London)

Regina Spektor

It started out as a feeling
Which then grew into a hope
Which then turned into a quiet thought
Which then turned into a quiet wordAnd then that word grew louder and louder
'Til it was a battle cryI'll come back
When you call me
No need to say goodbyeJust because every thing's changing
Doesn't mean it's never been this way before
All you can do is try to know
Who your friends are as you head off to the warPick a star on the dark horizon
And follow the lightYou'll come back
When it's over
No need to say goodbyeYou'll come back
When it's over
No need to say goodbye(instrumental)Now, we're back to the beginning
It's just a feeling and no one knows yet
But just because they can't feel it too
Doesn't mean that you have to forgetLet your memories grow stronger and stronger
'Til they're before your eyesYou'll come back
When they call you
No need to say goodbyeYou'll come back
When they call you
No need to say goodbye
